Risk Management Agency

TITLE: General Administrative Regulations; Subpart V-Submission of Policies, Provisions of

Policies, Rates of Premium, and Non-Reinsured Supplemental Policies

OMB CONTROL NUMBER: 0563-0064

SUMMARY OF COLLECTIONS: The Federal Crop Insurance Corporation (FCIC) amends the procedures for the submission of policies, plans of insurance, or other rates or premium by insurance companies, entities or other persons. Public Law 96-365 provided for nationwide expansion of a comprehensive crop insurance program. The Federal Crop Insurance Act, as amended, expanded the role of the crop insurance to be the principal tool for risk management by producers of farm products and required that the crop insurance program operate on an actuarially sound basis. It provides for independent reviews of insurance products by persons experienced as actuaries and in underwriting. The Act was further amended in 2008 to provide the opportunity for the submission of a concept proposal to the FCIC Board of Directors (Board) for approval for advance payment of estimated research and development expenses.

NEED AND USE OF THE INFORMATION: An applicant has the option to submit a concept proposal or a submission package for a crop insurance product and have it presented to the Board. The Board will review an applicant's submissions to determine, if the interests of agricultural producers and taxpayers are protected; the submission is actuarially appropriate; appropriate insurance principles are followed; the requirements of the Act are met; and that sound, reasonable and appropriate underwriting principals are followed. If the information is incomplete, the submission will be disapproved.
